## Call for Papers

### 18th Colloquium on Personnel Economics

March 25th to 27th, 2015

University of Vienna

We are pleased to announce that the Colloquium on Personnel Economics, the COPE (formerly POEK) is now open for your abstract submission! The Colloquium on Personnel Economics provides a forum for presenting research in all areas of personnel economics – theoretical, empirical and experimental. Young scientists in particular have the opportunity to present and discuss their academic works, concepts and new discoveries among more seasoned professionals.

Our keynote speaker will be **Prof. Edward P. Lazear** of Stanford University, one of the foremost minds in the field of personnel economics.

Researchers interested in presenting at the Colloquium are invited to submit an extended abstract (2-4 pages including title and research question along with a summary of methods and results) of their papers until **October 30th, 2014** to the following e-mail address: [cope2015@univie.ac.at](mailto:cope2015@univie.ac.at). The proposals will then be reviewed by the organizers of the Colloquium and authors will be informed of their acceptance by December 22th, 2014. In case of acceptance a full paper is expected by **February 10th, 2015**, at the latest.

Further information will be made available on <http://cope2015.univie.ac.at>. If you know researchers who might be interested in presenting please spread the word.

Best regards,
