## **Research Assistant for Project (June – October 2021)**

### **Research Assistant (hourly contract)**

Prof. Dr. Helmut Dietl invites applications for a research assistant position at the Chair of Services & Operations Management to work on a project related to discrimination in sports and service organizations.

### **Duration**

- Start: 15 June 2021
- End: 31 October 2021 (but may be extended)

### **Tasks and Responsibilities**

The research assistant will support a project related to anti-Semitism in Italy. The research tasks involve different activities to support a multi-field experiment such as gathering contact details, creating fictitious profiles, sending applications, and sorting responses.

### **Qualifications**

The position is suitable for a BA or MA student who is interested in discrimination studies and field experiments. Applicants should meet the following criteria:

- Enrolled in a BA/MA degree in Business Administration at the University of Zurich
- Good oral and written skills in English, and fluent in Italian
- Previous experience using Excel and Stata is an asset

### **Benefits**

- Gaining research experience in a burning topic and working with an international team
- Office space at the Department of Business Administration (Plattenstrasse 14, 8032 Zurich). COVID-19 regulations will apply throughout.
- Possibility to accommodate a BA/MA thesis proposal on the topic

### **How to Apply**

Please send your application (CV, proof of academic records) and a short motivation letter to [carlos.gomez@business.uzh.ch](mailto:carlos.gomez@business.uzh.ch), subject “Student assistant - Italian project”. The review of applications will start June 1<sup>st</sup>, 2021 and will continue until the position is filled.

We are looking forward to your application!
