

### Possible Topic Areas for Bachelor's and Master's Theses 2026

**Important Notes:**

- The listed topic areas and groups serve as guidance for your application via the Business Theses Market.
- First, check the "Remarks" column of the respective chair on the Business Theses Market landing page: <https://www.business.uzh.ch/en/teaching/theses.html>. There you may find information on prerequisites, guidelines, and application requirements.
- There is no entitlement to write a thesis in a specific topic area.
- Supervisors within the groups decide independently on the acceptance or rejection of applications.
