

## Research assistant position

University of Zurich,  
Department of Business Administration (Institut für Betriebswirtschaftslehre)

### Division

The Professorship for Managerial Economics at the Department of Business Administration at the Faculty of Business Administration, Economics and Information Technology at the University of Zurich is looking for a **research assistant**.

### Responsibilities

- Operational support within current research projects
- Organizing and creating datasets by merging multiple and relying on existing resources, preparing data for analysis, running some initial estimation models.
- Currently, this is a short-term position (until the end of the year), which may be expanded pending funding availability. We expect an occupation rate of at least 20% during the semester.
- We will conduct interviews with candidates in the end of July/beginning of August and expect the work to start in the beginning of September the latest.

### Requirements

- Matriculated student (ETH, University) in a master's degree
- Excellent coding skills in Stata
- Very strong knowledge of microeconometrics
- A very good sense of responsibility and timeliness in the completion of tasks
- Great attention to detail
- Strong interest in technology and education
- Fluent in English, good knowledge of German and/or French
- High degree of responsibility and motivation

### **We offer**

We are experienced researchers working on state-of-the-art topics and offer you an insight into cutting edge research with the advantage of working under flexible hours.

### **Starting date**

At the latest September 1, 2023.

### **Contact/E-Mail**

[carmit.segal@business.uzh.ch](mailto:carmit.segal@business.uzh.ch)
